OVERVIEW

The sleek and relaxed Crown Promenade Perth is a stylish destination that combines comfortable design and traditional service. With 291 spacious guest rooms, Crown Promenade is affordable luxury. Located on the banks of the Swan River and only a 10 minute drive to Perth's CBD, it is the ultimate no-fuss hotel destination for travellers.

In 2015, Crown Promenade had a design makeover refurbishing all of its guest rooms along with the hotel corridors, foyer and business centre. Melbourne based designers Lombard and Jack are the visionary team behind the new design. The colour palette has been specifically selected to reflect the tones and shades of Western Australia such as citrus, eucalypt and the outback, which complements the hotel's prime location near the Swan River and surrounding parklands.
