AWARD WINNING BROADWAY MUSICAL TO HIT PERTH AND PULL SOME STRINGS!

Crown Perth & Prince Moo Productions presents

CROWN THEATRE PERTH

26 November to 10 December, 2016

The hilariously side-splitting *Avenue Q* is set to return to Perth for a strictly limited season this November, bringing audiences a show that is part flesh, part felt and packed with heart.

Winner of the TONY® TRIPLE CROWN for BEST MUSICAL, BEST SCORE and BEST BOOK, *Avenue Q*, directed by Peter J Snee, is an irreverently witty and outright uproarious insight into a world where Sesame Street-esque puppets rub shoulders with humans.

This is a puppet show; however, make no mistake, this is not your average kids puppet show.

"This will have you laughing out loud the entire day" - **Broadway Box**

Join us as we follow the life of Princeton, a bright-eyed college graduate navigating his way through the multicultural, and at times raucous neighbourhood, *Avenue Q* in New York City.

"They may have no legs of their own, but darned if those fuzzy creatures aren't still standing, long after more full-bodied competition has bitten the dust" - **The New York Times**

Be prepared to be transported into a world of puppet debauchery, where puppets and humans mingle with gregarious consequences. From sexual congress, failed childhood stardom and excessive drinking to finding your purpose in life, *Avenue Q* hilariously navigates adult life from a puppet's point of view - no strings attached!

Tickets on sale NOW through Ticketmaster – www.ticketmaster.com.au

"Avenue Q is a show for anyone who's ever questioned the meaning of life, made irresponsible choices and wished to be a kid again." – **Australian Stage**

"Honestly touching" - **Mercury News**

WARNING*: FULL PUPPET NUDITY AND OTHER VULGARITIES WILL INDUCE LAUGHTER

**AVENUE Q is great for teenagers because it's about real life. It may not be appropriate for young children because AVENUE Q addresses issues like sex, drinking, and surfing the web for porn. It's hard to say what exact age is right to see AVENUE Q - parents should use their discretion based on the maturity level of their children.*
