## ARJ BARKER - THE CLASSICS

Presented by Crown Perth

**Crown Theatre Perth Saturday, 19 November**

**TICKETS ON SALE NOW**

**Don't miss this opportunity to catch Arj serve up a selection of his all-time greatest hits. This will be a night where he presents many of his classic routines by popular demand (and a few others by unpopular demand). Fresh off the back of a massive US tour with his pals, The Flight of the Concordes (he starred as 'Dave' in their hugely popular T.V. series) Arj returns to our shores to prove once again why he is 'the American we actually like' and one of Australia's favourite comedians full-stop. So round up the gang and prepare to laugh yourself silly as Arj Barker presents.... The Classics.**

In recent years, Arj has spent more time in our country than his own and has come to understand our culture perhaps better than we understand it ourselves. His stand-up is both insightful and pointed, like a mind-reading thumb tack, if there was one of those.

Since winning the coveted Perrier Best Newcomer Award in 1997, Arj has firmly established himself as one of the golden boys on the international comedy circuit. He has performed massive sell out seasons at the Adelaide Fringe Festival and Melbourne International Comedy Festival, on a number of occasions being the highest selling act at the festival.

Arj has made numerous appearances on late night talk shows, including Letterman and Conan O'Brian, as well as starring in his own Comedy Central half hour special on HBO. He is a favourite on Australian TV having appeared on Thank God You're Here, Rove, Spicks & Specks, The Project, Good News Week and Have You Been Paying Attention.
